Please read the following carefully.
 Before completing this application you should carefully examine the leaflet "The permit system for the keeping and selling of protected animals." This leaflet outlines the types of permits available and the differences between each Class of permit.
 Permits are issued to a person (not educational institutions or businesses) and may only be used by the permit holder.
 Any intentional misleading or false declarations made on this application may result in legal action being taken against the applicant.
 When applying in person or by an agent on your behalf the applicant or agent must present identification which will verify the applicant's name and address.
 Space has been provided to list the protected animals you wish to keep - you should not include any animals listed on the Basic or Exempt Schedules of the Wildlife Regulations.
 Applicants should note that each application is considered on its merits, with special consideration being given to the conservation status and the degree of difficulty in keeping these animal(s). This will include an assessment of facilities and expertise available to manage each species. This assessment may limit the species, quantity, responsibilities or activities a permit holder may undertake in respect of protected species.
